ST. IGNATIUS OF LOYOLA**Founder of Jesuits**

St. Ignatius of Loyola founded the Society of Jesus. He followed Jesus Christ in his life. Today the Society of Jesus has spread to many countries. The members of the Society of Jesus are called as Jesuits. Jesuits are working in various sectors like, Spirituality, Social Action, Education, Media etc.

St. Ignatius was born in Spain on 23 October 1491. He enjoyed all the comforts of aristocratic life. He wanted to be a great warrior. The battle of Pamplona changed the course of his life. His leg was shattered by a canon

ball. This year we celebrate the 500th year of his conversion. It was during this year of conversion that Ignatius began to write down his experiences that later became his greatest work, ***the Spiritual Exercises***. He went on to form a group of friends which was later named as 'Society of Jesus'. Jesus was the centre of their life. The Society of Jesus was approved on 27 September 1540 by pope Paul III. Ignatian spirituality is expressed in the Jesuit motto, Ad maiorem Dei gloriam-"for the greater glory of God."

St. Francis Xavier came to India bringing the message of Christ. Today the Jesuits are working in all parts of the country. They work with the three fold goals of education i.e. Academic excellence, Character formation and Social concern. The best service that student can do to serve God is learning. St. Joseph's at Hassan is serving the people for the past 65 years. Welcome to St. Joseph English Medium School.
